## Look no further: CANADA LITTER™ is an unbeatable value!

Made from pure sodium bentonite. Canada Litter™'s amazing instant-clumping capabilities and unrivaled absorption are the product of our uncompromising approach to purity, functionality and quality. A switch to Canada Litter™ will also allow you to use less litter, helping you save time and money. Available in two light scent options, baby powder and lavender, and unscented, as well as three convenient sizes; you're certain to find the right combination for your home!
